

Message from President Joe Cuccinotto

Phoenix Metro Area Local 0093 Members. The roll out for Covid-19 has been slow and confusing. A member shared the following information:

Pleasant Pediatrics has been a distribution site for vaccines and has appointments available.

Visit: <http://pleaspeds.intakeq.com/Booking> to book your appointment. Choose “essential employee” as the category and fill in all the blanks. You will need your employee ID Badge, driver’s license and insurance card to register. Once you register you will get an e-mail requesting that you upload copies of your ID’s. Although the site mentions an age requirement, just fill in your age, as essential employees they may be bypassing the age requirement.

Stay safe,

Joe Cuccinotto
President PMAL 0093
