

Teamsters Local 104 Assistance Drive

Currently there are over 500 of our Sisters and Brothers on strike. At issue are Safety concerns as 22 drivers have been assaulted in the past 13 months. Also a prolonged mold problem at one of the facilities has caused respiratory problems and other health issues for the employees.

Another reason for the strike was a recent audit of Sun Trans which showed over \$1.3 million approved specifically for wages and benefits was returned to the City's General Fund.

Help us support our brothers and sisters and their families while they fight for justice by contributing;

Non-perishable food i.e. rice, cereal, canned goods, etc. Baby diapers and wipes also needed.

All donations should be dropped at the locations below
